Pupils will be staying in caravans which are fitted out with showers, toilets, and beds.

The Caravan park is a short walk (2 mins) to the beach and the Surf School.

Mr.Joyce, Mrs Frazier, Mr.Robertson and myself will be on call on the beach in case of emergencies. The beach has Life Guards on duty (with a First Aid post) and the Surf School has a vehicle on the beach.

From past experience, the Instructors are excellent and extremely professional. The pupils will have two 2 hour lessons each day (except Friday) and they will be arranged into groups of about 8-10 by the Instructors.

Polzeath is a very small town. The pupils will be allowed in the town in groups at specified times. They will be given pocket money from school to buy a cheap souvenir/sweets.
